

Cars analysis

The average fuel economy of cars in our data is 21.3 miles per gallon.

1 Regressions of car weight on length

Table 1: Association between car weight and length

	(1)	(2)
Car length (inches)	31.44*** (1.79)	33.02*** (1.27)
Car type fixed effects	Yes	No
R^2	0.90	0.89
Observations	74	74

Notes: TK
